

**SKYRIDERS**  
INDUSTRIAL ROPE ACCESS

## SKYRIDERS ACCESS SPECIALISTS ENVIRONMENTAL POLICY

### 1. INTRODUCTION (OUR BUSINESS SCOPE)

We are rope access specialists providing inspection, non-destructive testing, confined space services, maintenance, specialised painting services, concrete rehabilitation, bolting, rigging, internal and external Remotely Piloted Aircraft Systems structural inspections and aerial surveys, and innovative work at height solutions for clients in all economic sectors

- 1.1. This policy complements Skyriders OH&S policy
- 1.2. It supports our commitment to **continual improvement**
- 1.3. It complies with our ISO 9001:2015, ISO 14001:2015 and OHSAS 18001:2007 aligned integrated management system.

We recognise that our products and services have minimal direct environmental impact. However, we must ensure that we comply with our clients' environmental standards. We must also control our activities, products and services so that we do not contravene environmental laws and statutes.

### 2. AIM

- 2.1. The aim of this policy is to ensure that we comply with legal and statutory environmental requirements that relate to our services, products and activities.
- 2.2. Our aim is also to **control and / or prevent pollution** related to our activities, products and services and also protect the environment.

### 3. POLICY

Safety, health and environment are important components of our business processes.

- 3.1. We have an integrated management system aligned with ISO 9001:2015, ISO 14001:2015 and OHSAS 18001:2007 certification.
- 3.2. We communicate with and train our employees on safety, health and environmental issues.
- 3.3. We comply with our clients' safety, health and environmental policies and procedures.
- 3.4. We have policies and procedures for responding effectively to safety, health and environmental incidents.
- 3.5. We provide resources to implement and maintain effective health, safety and environmental management.
- 3.6. We integrate our health, safety and environmental policies with strategic objectives so that they are reviewed regularly.
